Key Sponsorship Benefits

Your success is our success, and we are committed to maximising your exposure and ROI. Leading up to the event, the Ashton Media team will provide personalised support, including a briefing call approximately 2 weeks before the event to ensure your onsite representatives are fully prepared. Please see below for some more details of some of the key benefits included in your sponsorship. These elements are designed maximise the exposure and ROI for your organisation. The Ashton Media team will be in touch will reminders around any action points.

PRIORITY SEATING FOR GALA DINNER

The conference Gala Dinner will take place on Day 2 and will have pre–allocated seating. As a sponsor, your team will benefit from preferential seating.

Ashton Media will be in touch 1 week out from the event with the delegate list for your representatives to review and identify 5 – 6 delegates that they each would like to be seated next to.

Ashton Media will then do their best to accommodate the team's selections.

ONSITE CONFERENCE APP

One week out from the Symposium your executives will be granted access to the Symposium event app; it will list all delegates attending the event.

Please note, the early access is given for research purposes only – we would request your representatives not engage in any cold digital outreaches until the start of the event.

TL;DR – BUILT INTO YOUR PARTNERSHIPS ARE SOME GREAT OPPORTUNITIES TO CONNECT WITH DELEGATES ONSITE. THE ASHTON MEDIA TEAM WILL BE IN REGULAR CONTACT TO ENSURE THAT YOU AND THE TEAM ARE ABLE TO TAKE ADVANTAGE OF THESE OPPORTUNITIES.

Branded Room Gift Opportunity

At Ashton Media Symposiums we strive to create a sophisticated environment and avoid expo booths and placing branded items in the conference room as this can create a messy and cluttered environment which will reflect negatively on the event, and your brand.

Instead, we offer you the opportunity to provide a "branded room gift" – these items are placed in the delegates bedrooms and will be discovered upon check in.

It's a great opportunity to surprise and delight the delegates and offers you some excellent brand promotion.

A room gift can simply be a branded item, for example a branded Keep cup – great because we all know Australian's love their coffee and also, it's a greener option...

...But this is also your opportunity to get creative:

+ Run a competition using a QR code & capture the data
+ Promote your speaking session (if applicable) – create some buzz around your topic
+ Link to your sponsorship e.g. if you 're hosting the wine tasting provide a moleskin notebook to write wine notes...etc

After 10 years of organising Symposiums we've seen some great gifts – here are some of our favourites:

+ A personalised chocolate bar with a hidden golden ticket
+ Is the Symposium taking place in Winter?
    - A branded umbrella is always a hit with our delegates in September in cooler, wetter months!
+ Is the Symposium taking place in the Summer?
    - Picnic items such as blankets and insulated wine cups are guaranteed to be taken home and used throughout the Summer
+ Wellness hampers – treat your clients and prospects to a little rest and relaxation.
+ Go green – avoid adding to landfill and make sure your gifts are recyclable

NB: Gifts given to Client Side Delegates only, not Sponsors.

Finally keep us in the loop around what you choose so we can help you avoid duplicating another sponsor's gift.

Don't forget to consider that some delegates have a flight home and only have carry on luggage, so make sure they can bring it back with them!

THANK YOU FOR YOUR SUPPORT

Ashton Media is a small Australian owned business, and we truly value your ongoing support without which our industry conferences would not be possible. Each year we endeavour to learn and evolve our events so that they remain relevant and deliver the best return for our partners.

We would love to set up a de-brief call while the event is still fresh in your mind to discuss your experience of the event – what worked, what perhaps didn't and what we can do to make next year even better.

The Ashton Media team will be in touch in the days following your event to arrange a convenient date and time for a debrief call and to go through your post-event report.

If you are local to Sydney – don't be a stranger, let us take you to lunch or a drink to say thank you for your participation!
